

## Clems Branch Wastewater System Improvement Project

November 27, 2019 Neighborhood Update

Charlotte Water (CLTWater) and contractor RH Price Inc. are nearing completion of pipe installation in Providence Pointe Neighborhood. Crews recently repaved Prescott Hill Avenue from in front of the clubhouse to the median on Springwell Street. Crews will not work November 28<sup>th</sup> or 29<sup>th</sup>.

### NEXT STEPS (weather permitting)

- Starting December 2<sup>nd</sup>, portions of Prescott Hill Avenue, between Chesley Drive and Springwell Street will be detoured, open only to residents who live within the detour.
  - The detours are expected to be in place for approximately two weeks.
  - During the daytime flaggers will be posted within the vicinity of the detour to assist drivers.
  - Due to the nature of the work the contractor will need to work around the clock on two occasions. We will provide and update once these are scheduled.
  - The detours will not affect school bus stops or school bus traffic.
